This means that without further action from the Government, all local authorities including local councils must return to face to face meetings from 7 May 2021. There is still much uncertainty around how legislation or COVID-19 risks may change over the coming weeks and months.

To **consider** preparations required for the scenario that remote council meetings cannot lawfully take place from 7 May 2021. Including consideration to bring forward the Annual Meeting of the Council currently scheduled to take place on Monday 10 May 2021.
